

Even if a BC resident is insured under the Medical Services Plan (MSP) and/or other affiliated medical plans (i.e. Blue Cross, Sun Life, etc.), not all services provided by a doctor are covered. These services are considered not medically required and are billed directly to the patient. Doctors of BC has established recommended fees for non-MSP-insured services to help guide doctors in setting a reasonable value for these services. Hilltop Medical Clinic private fee schedule (as listed below) is based off of the recommended Doctor's of BC private fees, as set out each year. **Fee values effective June 1, 2024**
